

## MYbDAIRY FARMS PRIVACY POLICY

**Last Revised: [2nd Sept, 2019]**

Thank you for visiting our website or Platform. Your privacy and the protection thereof is of paramount importance to us.

### 1. Important information

This Privacy Policy, as amended or otherwise changed from time to time (Privacy Policy), explains the manner in which MYbDairy Farms (trading as MYBD) ("MYBD", "we", "us", "our") collects, uses, maintains, stores, transfers and discloses User information obtained through MYBD website (the Site) or our Blockchain Platform (the Platform). Terms which are not defined in this Privacy Policy shall have the meanings ascribed to them in the User Agreement / Terms and Conditions [www.mybdairy.com](http://www.mybdairy.com) of this Site and/or Platform.

**User Consent:** When you access and use any content we own or operate on the Site, the Platform, any other websites, apps, pages, features thereon, you as the User expressly consents to the data practices prescribed in this Privacy Policy.

**Data controller:** MYBD is the data controller of your Personal Data. Data protection is important to us and we adhere to applicable data protection laws and regulations, which includes both the data protection and privacy requirements of the Cayman Islands [namely, the Confidential Information Disclosure Law of 2016 and Data Protection Law of the Cayman Islands (2017 legislation and the subsequent Act commencing 30 September 2019)]; and further - where applicable to individuals in the European Union and the member states of the European Free Trade Association (EFTA), the General Data Protection Regulation (GDPR - which had commenced on 25 May 2018) i.e. [www.mybdairy.com](http://www.mybdairy.com)

the purposes mentioned in this policy. We may also process your Personal Data, if you consent to the processing, to satisfy our legal obligations, if it is necessary to carry out our obligations arising from any contracts we entered with you, or to take steps at your request prior to entering into a contract with you, or for our legitimate interests to protect our property, rights or safety of iOWN, our customers or others.

We have also appointed a **Data Protection Officer (DPO)** who is responsible for overseeing data-related matters on behalf of MYBD and to address any questions in relation to this Privacy Policy. If you have any questions about the Privacy Policy, including requests to exercise your rights related to data, please contact us at [www.mybdairy.com](http://www.mybdairy.com)

If you are based in Europe, be advised that you have the right to make a complaint any time to a supervisory authority, in particular in the Member State in the European Union where you are habitually resident, where we are based, or where an alleged infringement of Data Protection law has taken place. Similarly, be advised that you have the right to make a complaint any time to the Office of the Ombudsman whom is the Cayman Islands' supervisory authority for data protection (<https://ombudsman.ky/>). We would, however, appreciate the chance to address your concerns before you approach the IEO, and so, please contact us in the first instance so that we may try to resolve your complaint amicably [www.mybdairy.com](http://www.mybdairy.com).

**Changes to this Privacy Policy:** From time to time, MYBD may revise, amend or supplement this Privacy Policy to reflect necessary changes, i.e. changes in law, our personal data collection and usage practices, the features of the Site or Platform, or certain advances in technology. If any material changes are made to this Privacy Policy, the changes will be prominently posted on the Site and/or the Platform. MYBD, however, requires that you (the User) occasionally familiarize yourself with the contents of this Privacy Agreement for your own information. Changes to this Privacy Policy are effective when they are published in this Policy.

Please be advised that this Privacy Policy does not confer any information that we may receive about you through channels external to the MYBD's communication and data infrastructures, networks and/or systems.

## **2. Information that MYBD collects:**

MYBD collects Personal Data and Anonymous Data of Data Subjects, as described below.

**Data Subject:** means any person whose personal data is being collected, held or processed. For ease of understanding: You are the Data Subject, as the User.

**Data Controller:** means a person who (either alone or jointly with other persons) determines the purposes for and the manner in which any personal data is to be processed. As confirmed above, MYBD is the Data Controller. MYBD may process your personal data through authorised agents of MYBD who may be chosen by us for the purposes of furthering the business of MYBD.

**Data Processor:** means any person (other than an employee of the data controller) who processes personal data of a Data Subject, on behalf of the Data Controller.

**Personal Data:** means data that allows someone to identify or contact you, including, for example: your name, address, telephone number, e-mail address, as well as any other non-public information about you that is associated with or linked to any of the foregoing data.

**Anonymous Data:** means data that is not associated with or linked to your Personal Data; Anonymous Data does not, by itself, permit the identification of individual persons.

Please note that: You will not be required to pay a fee to access your Personal Data (or to exercise any of the other rights), however, we may charge a reasonable fee, at our sole discretion, if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request under the aforementioned circumstances.

**Information which may be further required from you:** We may need to request specific information from you to help us to confirm and verify your identity, so as to ensure that your rights to access your personal data (or to exercise any of your other rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response to any request received from you, in exercising your rights.

**Information about criminal convictions or activities:** When you register for or otherwise use our Services, we may receive information about your criminal convictions when we perform certain verification or compliance checks. We carry out these checks in order to detect or prevent any unlawful or fraudulent acts and to comply with our legal obligations. Also, in the event of a violation of the Terms and Conditions / User Agreement [www.mybdairy.com](http://www.mybdairy.com) in the use of the Site or Platform, or a violation of any restrictions on use of materials provided in or through the Site or Platform, we may disclose personal user information to our affected business partners or legal authorities.

**If you fail, neglect and/or refuse to provide us with your Personal Data:** Where we need to collect personal data by law, or under MYBD's terms of service in contracting with you and you fail to provide that data when requested, we may not be able to perform the services. In this case, we may close your User Account, however, we will notify you if this is the case at the time.

### **3. Your legal rights (User rights) and information that MYBD collects:**

Under Chapter three (3) of the European Union General Data Protection Regulation (GDPR) number 2016/679, each Data Subject has eight (8) rights. These include:

- The right to be informed: This means that anyone processing your personal data must make clear what they are processing, why, and who else the data may be passed/transferred to, or shared with.
- The right of access: This is your right to see what data is held about you by a Data Controller.
- The right to rectification: This is your right to have your data corrected or amended if what held is incorrect / inaccurate in some way.
- The right to erasure: This is your right, under certain circumstances, whereby you can ask for your personal data to be deleted. This is also referred to 'the Right to be Forgotten'. This would apply if the personal data is no longer required for the purposes it was collected for, or your consent for the processing of that data has been expressly withdrawn, or where personal data has been unlawfully processed.
- The right to restrict processing: This your right to ask for a temporary halt or pause in processing of personal data, such as in the case where a dispute or legal case has to be concluded, or the data is being corrected.

- The right to data portability: This is your right to ask for any of your personal data supplied directly to the Data Controller to be provided to you in a structured, commonly used, and machine-readable or electronic format.
- The right to object: This is your right to object to the further processing of your data which is inconsistent with the primary purpose for which it was collected, which includes profiling, automation and direct marketing.
- Rights in relation to automated decision making and profiling: This is your right not to be subject to a decision based solely on automated processing.

Under the Data Protection Law of the Cayman Islands, each data subject has the following rights:

- Personal data must be processed in a fair and lawful manner: This means that you should be informed by the organization using your information (the data controller) who they are and what purpose they will be using the information for. Lawful processing means that there must be a legal ground that permits an organization to use your information.
- Personal data may only be processed for the purpose it was collected for: This means that an entity may not collect your information for one purpose and use it for another, incompatible purpose.
- Personal data should only be collected if it is necessary for the purpose: This means that an entity should only collect information that is necessary for the purpose and nothing more, in addition thereto.
- Personal data must always be accurate: This means that the information about you should be correct and accurate.
- Personal data may not be kept for longer than necessary: This means that once personal data is no longer needed, it should be destroyed.
- Personal data shall only be processed in accordance with the rights of the individual in mind: This means that any processing done must take into User Account the rights of individuals (the Data Subject).
- Personal data must always be kept safe: This concerns the security, integrity and confidentiality of personal data. This means that personal data must be kept secure using both technical and organizational means; and that only individuals and entities who need to use it actually have access to it.
- Personal data may not be transferred outside the Cayman Islands, unless it is adequately protected: This means that personal data may not leave the Cayman Islands unless the destination offers a level of protection that is on par with the data protection standards detailed herein.

Be advised that in usage of our Site and/or Platform, you consent to the following:

- We may collect Personal Data from you, such as your first and last name, e-mail and mailing addresses, date of birth, government issued identification, photographs, biometric information, company name, and password.
- We may also collect other Personal Data provided by third-party entities, including, but not limited to third party identity verification sources and services; and via social networking websites.

- If you tell us where you are (i.e. by allowing any of your devices, mobile device or computer to send us your geo-location), we may store that information.
- Certain services, such as two-factor authentication, may require our collection, use, processing, transfer and storage of your phone number and possibly other data. We may associate that phone number to your mobile device identification information.
- If you provide us feedback or contact us, we will collect your name and e-mail address, as well as any other content included in form in which it was received (i.e. the details and content of an email), in order to send you a reply or to contact you.
- We also collect other types of Personal Data that you voluntarily provide to us when contacting us – i.e. in seeking support services via email, information submitted via an online contact form, video conferencing service information, other contact information, or other information provided to support services staff.
- We may collect other data, including but not limited to, referral URLs, your location and blockchain analytics information related to blockchain usage on our Platform; and blockchain addresses you provide.
- Some information is collected automatically by our Platform, networks and servers:
  - Our servers (which may be hosted by a third party service provider) collect information from you automatically, including your browser type, Internet service provider (ISP), referring/exit pages, operating system, Internet Protocol (IP) address (which is a number that is automatically assigned to your computer or device when you use the Internet and which may vary from session to session), domain name, and/or a date and time stamp for your visit to our Site or Platform, as well as clickstream data.
  - We use cookies to collect information. Cookies are selected pieces of information that a website or Platform sends to your device / computer's hard drive while you are viewing the Site or Platform.
  - We retain information on your behalf, such as transactional data and other session data linked to your User Account.

**Your legal rights:** Under certain circumstances, you have rights under applicable data protection laws in relation to your Personal Data which are set out in more detail herein under:

- Request of access: This enables you to receive a copy of the Personal Data which we hold about you and to enable you to verify that we are lawfully processing it.
- Request correction: This enables you to have any incomplete or inaccurate data we hold about you corrected, though we by necessity need to verify the accuracy of the new data you provide to us. Your right to access and correction shall only be limited where the burden or expense of providing access would be disproportionate to the risks to your privacy in the case in question, or where the rights of persons other than you would be violated. If you need to add or change any information, you can log into your User Account [www.mybdairy.com](http://www.mybdairy.com) and make the changes in your settings. Alternatively, please contact us at [www.mybdairy.com](http://www.mybdairy.com) and we'll attend to the necessary, subject to standard verification procedures.
- Request deletion: This right enables you to request us to delete or remove your personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your Personal Data where you have successfully exercised your right to

object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your Personal Data, in compliance with applicable law. Please be advised that your right of deletion will not apply under certain circumstances, i.e. where we are required to retain your personal data in order to comply with a legal obligation, to establish or defend a legal claim, or for other legitimate and lawful purpose. You can contact us at [www.mybdairy.com](http://www.mybdairy.com) to make any request of erasure. Where we are unable to comply with your request of deletion, we will notify you at the time of your request.

- Object to processing: You have the right to object to the processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is a valid reason (ground) upon which you can raise such objection, i.e. where you may feel that it impacts your fundamental rights and freedoms. You also have the right to object where we are processing your Personal Data for direct marketing purposes. Each objection will be dealt with on a case-by-case basis. Where we have compelling and legitimate grounds to process your information, this may override your rights and freedoms.
- Request restriction of processing: This enables you to ask us to suspend the processing of your Personal Data in the following scenarios:
  - For purposes of verifying the data's accuracy;
  - Where our use of the data is unlawful, but you do not want us to delete it;
  - Where you need us to retain the data, even in circumstances where we no longer require it, i.e. where data is to be retained to establish, exercise or defend legal claims;or
  - You have objected to our use of your data but we need to verify whether we have overriding legitimate grounds and rights to use it.
- Request to transfer: Upon request from you at [info@mybdairy.com](mailto:info@mybdairy.com), we will provide to you or an authorised third party elected by you, a copy of your Personal Data in a structured, commonly used, machine-readable format and to have us transfer your Personal Data directly to another data controller where it is technically feasible, unless exercise of this right adversely affects the rights and freedoms of others. Please note that this right only applies to automated information which you initially provided/consented for us to use or where we had used the information to perform our services to you.
- Withdrawal of consent: This applies in circumstances where we rely on your consent to process your Personal Data. This does, however, not affect the lawfulness of any processing carried out prior to the withdrawal of your request. Please note that if you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you of this at the time that you withdraw your consent.

If you wish to exercise any of the rights set out above, please contact us at [info@mybdairy.com](mailto:info@mybdairy.com).

**Automated decisions:** You may contest any automated decision made about you where this has a legal or similar significant effect and ask for it to be reconsidered.

**Time limit to respond to User requests in exercising the aforementioned rights:** We aim at respond to all legitimate requests without undue delay and within one (1) month calendar of receipt of any request from you. Occasionally it may take us longer than one (1) month if your request is particularly complex, or if you have made duplicated or numerous requests. In this case, we will notify you of receipt of such request(s) and keep you updated as to the status of progress concerning such request(s).

**Children's privacy:** Minors are ineligible to use our Services. We do not and will not knowingly solicit or collect information from anyone who is not of legal age. Whenever we shall retrospectively become aware that a minor has provided us with personal information, we will erase such information immediately and close the related User Account.

#### **4. MYBD's use of the information it collects:**

We will only use your Personal Data when the applicable laws allow us to. Most commonly, we will use your Personal Data in the following circumstances:

- Where we need to perform the service under your User Account registration and/or membership / subscription thereto as a User.
- Where it is necessary for our legitimate interests (or those of a third party), but where such interests do not override your fundamental rights; and/or
- Where we need to comply with a legal or regulatory obligation. MYBD may be compelled to surrender User information to legal authorities without express User consent if presented with a court order or similar legal or administrative order, or as required or permitted by the laws, rules, and regulations of any nation, state, or other applicable jurisdiction.

Please be advised that we may process your personal data without your knowledge or consent where this is required or permitted by law. In general, the Personal Data which you submit to us is used either to respond to requests that you make, or to aid our service to you, the User.

We use your Personal Data in the following ways:

- To facilitate the creation of and to secure your User Account on our network;
- To prudently identify you and perform the necessary identity verification through a service provider / providers;
- To provide improved administration of our Site, Platform and Services;
- To improve the quality of your User experience when you interact with our Site, Platform and Services;
- To send you an e-mail to verify ownership of the e-mail address provided when your User Account is created;
- To send you administrative e-mail notifications or other communications: i.e. User Account activity, transaction processing, security or support and maintenance advisory services;
- To identify, prevent, and report potentially suspicious, fraudulent, or illegal activities;
- To notify you about important changes to our Site, Platform, Privacy Policy, Terms and Conditions / User Agreement [www.mybdairy.com](http://www.mybdairy.com) or other User-related facilitates of MYBD; and

- To respond to your inquiries or other requests received.

All data collected automatically will be used to administer or improve our services, including the following:

- We use IP address to make our Site, Platform and Services more useful to you, and to perform identity verification.
- We use information from log files to analyze trends, administer the Site and Platform, track Users' movements and activity around the Site and Platform, gather demographic information about our User base as a whole, and better tailor our Services to our Users' needs. Except as noted in this Privacy Policy, we do not link this automatically-collected data to Personal Data.
- We may use both session Cookies (which expire once you close your device web browser) and persistent Cookies (which stay on your computer until you delete them) to provide you with a more personal and interactive experience on our Site and Platform. This type of information is collected to make the Site and Platform more useful to you and to tailor the experience with us to meet your special interests and needs.

We may create Anonymous Data records from Personal Data by excluding certain information (i.e. your name) which may make the data personally identifiable to you. We use this Anonymous Data to analyze request and usage patterns so that we may enhance the content of our Services and improve Site and Platform navigation. We reserve the right to use Anonymous Data, aggregated and other de-identified information for any purpose and disclose Anonymous Data to third parties at our sole discretion.

**The sale of Data:** MYBD does not sell User data to any third party.

**Data retention:** Please note that according to applicable legislative provisions (i.e. GDPR and/or the Cayman Islands Data Protection Law) specific Data must be stored for a determined period of time. Such Data must be therefore remain with MYBD until the legal period has expired.

**Marketing:** We provide you with choices regarding the Personal Data that MYBD uses, particularly concerning marketing and advertising. We have established the following personal data control mechanisms:

- Promotional offers from MYBD: We may use your Personal Data to determine what may be of interest to you. This is how we decide which products, services, and offers may be relevant and of interest to you. By using our Site, Platform, Services or registering a User Account, or in contacting us, or in requesting information from us, you expressly opt-in to receive marketing communications from MYBD.
- Third Party Marketing: We will obtain your express consent to opt-in and share your Personal Data with any company outside of the MYBD for that company's own marketing purposes.
- Opting out: You can ask us or third parties to stop sending you marketing related material and/or communications at any time by following the opt-out links [www.mybdairy.com](http://www.mybdairy.com) on any marketing message sent to you or by contacting us [info@mybdairy.com](mailto:info@mybdairy.com)

#### **5. How MYBD shares User's personal information:**

- We disclose your Personal Data, as described in this Privacy Policy.
- It may be necessary to disclose your information to law enforcement agencies, regulators, government/public officials, or other relevant third parties to comply with any law, subpoenas, court orders, or government request, to defend against legal claims, investigate or bring legal

action against illegal or suspected illegal activities, to enforce our User Agreement terms /Terms and Conditions [www.mybdairy.com](http://www.mybdairy.com) , or to protect the rights, safety, and security of MYBD, our Users, or the public.

- We may share your Personal Data with third party service providers in order to provide you with the services that we offer you through our Site and/or Platform; to conduct quality assurance testing; to facilitate the creation of User Accounts; to provide technical support; to verify your identity; and/or to provide other services to MYBD. These third-party service providers are required not to use your Personal Data for any purpose, other than to provide the services mandated by us.
- We may share some or all of your Personal Data with third parties (i.e. if MYBD is acquired by a new owner) in connection with or during negotiation of any merger, financing, acquisition or dissolution transaction or proceeding involving sale, transfer, divestiture, or disclosure of all or a portion of our business or assets. In the event of an insolvency, bankruptcy, or receivership, Personal Data may also be transferred as a business asset forming part of Bother's good will. If another company acquires MYBD, its business, or assets, that company will possess the Personal Data collected by us and will assume the rights and obligations held by MYBD regarding your Personal Data as described in this Privacy Policy.

MYBD may contain links to other third party websites which are not operated by MYBD and too which are regulated by their own privacy policies. If you click on a third-party link, you will be directed to that third party's site. MYBD strongly advises you to review the privacy policy of every site you visit. MYBD is not responsible for the privacy policies of these third party websites, regardless as to whether they were accessed using the links from our Site or Platform. MYBD has no control over and assumes no liability for the content, privacy policies or practices of any third-party sites or services.

Other than as stated in this Privacy Policy, MYBD does not disclose any of your personal information to third parties unless required to do so by law enforcement, court order, or in compliance with legal reporting obligations.

#### **6. Extraterritorial Data storage and transfers outside of the European Economic Area (if you are based in Europe) and outside of the Cayman Islands:**

- We store and process your personal data in data centers around the world, wherever we have our premises or where Bother's service providers are located.
- We share your Personal Data within the MYBD group of companies which are based in various locations globally.
- If you are based in Europe, this will involve storing and transferring your data outside the European Economic Area (EEA).
- If you are based in the Cayman Islands, this will involve storing and transferring your data outside of the Cayman Islands.
- In addition hereto, many of our external third parties are also based outside of the EEA and the Cayman Islands and so, their processing of your Personal Data will involve the transfer and storage of data outside the aforementioned territories.
- Some of the countries to which your personal data may be transferred do not benefit from an appropriate protection regulation. These specific countries can be found here: <https://ec.europa.eu/info/law/law-topic/data-protection/data-transfers-outside-eu/adequacy->

[protection-personal-data-non-eu-countries\\_en](#). For such international countries, we shall have specific data-protection clauses in our agreements and arrangements with them.

- Whenever we transfer your Personal Data outside of the EEA or the Cayman Islands, we will ensure that a suitable degree of protection is afforded to it by ensuring that at least one (1) of the below listed safeguards is implemented:
  - We will only transfer your Personal Data to countries that have been deemed to provide an adequate level of protection for personal data.
  - In respect of GDPR compliance (if applicable): we may use specific contracts approved by the European Commission which give Personal Data the same protection it has in Europe. For further details, see [European Commission: Model contracts for the transfer of personal data to third countries](#).
  - In respect of GDPR compliance (if applicable): In respect of transfers to entities in the United States of America (US), we may transfer Personal Data to them if they are part of the Privacy Shield which requires them to provide similar protection to personal data shared between Europe and the US. For further details, see [European Commission: EU-US Privacy Shield](#).

Please contact us at [info@mybdairy.com](mailto:info@mybdairy.com) if you want further information on the specific mechanism used by us when transferring your Personal Data out of the EEA or the Cayman Islands.

#### **7. How to update your information:**

- Whenever possible, you can update your personal data directly within your User Account settings section. If you are unable to change your Personal Data, please contact us to make the required changes.
- If you wish for MYBD to update your information please contact us at [info@mybdairy.com](mailto:info@mybdairy.com) in making such a request.
- We will retain your information for as long as your User Account has not been closed or as may be needed to provide you access to your User Account.
- If you wish to close your User Account, please contact us [info@mybdairy.com](mailto:info@mybdairy.com). We will retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our Terms of the Service.

#### **8. Data Collected automatically and MYBD's use of Cookies and Persistent Local Data?**

- Data collected automatically includes, but is not limited to Cookies, webpage counters and other analytics tools.
- Cookies are small data files that are collected automatically and stored on your device / computer's hard drive.
- MYBD collects web browser Information in order to enhance your User experience on our Site and Platform, as well as to track how the Services are being used.
- We further use cookies to identify and prevent fraudulent activity. The information collected by us can include, but is not limited to, your IP address, referral URLs, the type of device you use,

your operating system, the type of browser you use, your geographic location, and other session data.

- Cookies are not permanent and will expire after a short time period of inactivity. Data collected via technical means such as cookies, webpage counters and other analytics tools are normally kept for a period of up to one year from expiry of the cookie.
- You may opt to deactivate your cookies, but it is important to note that you may not be able to access or use some features of our Site or Platform, should you do so, as such Cookies may enable certain functions thereon.
- Please note that MYBD is not responsible and will not be held liable for any loss resulting from your decision or inability to use Cookies.
- Do Not Track (DNT) is an optional browser setting that allows you to express your preferences regarding tracking by advertisers and other third-parties. At this time, we do not respond to DNT signals.
- For more information about the cookies we use, please see our Cookie Policy [info@mybdairy.com](mailto:info@mybdairy.com)

#### 9. Security precautions exercised by MYBD for protection of your data:

- We take the protection of your personal information seriously and in so doing, we use industry-standard data encryption technology and have implemented restrictions related to the storage of and the ability to access your personal information.
- MYBD's Site and Platform are scanned on a regular basis for security holes and known vulnerabilities in order to best ensure its security.
- Your Personal Data is contained behind secured networks and is only accessible by a limited number of individuals who have special access rights to such systems and are required to keep the information confidential.
- Please note that no transmission over the Internet or method of electronic storage can be guaranteed to be 100% secure, however, our best endeavors will be made to secure data and the ability to access your personal information.
- We would like to draw your attention on the fact that MYBD will under normal circumstances never ask for financial or payment information, such as your credit card number, passcode, User Account number or pin number, in an e-mail, text or any other communication that we send to you. Please always check that any website on which you are asked for financial or payment information in relation to our reservations or services is operated by MYBD. The risk of impersonating hackers exists and should be taken into account when using our Site, Platform and/or Services.
- If you do receive any suspicious request, do not provide your information and report it us by contacting our offices immediately. Please also immediately notify us if you become aware of any unauthorized access to or use of your User Account. [info@mybdairy.com](mailto:info@mybdairy.com)
- Since we cannot guarantee against any loss, misuse, unauthorized acquisition, or alteration of your data, please accept that you play a vital role in protecting your own personal data, including the adoption of sufficient safety measures such as your choosing of an appropriate password of sufficient length and complexity and to not reveal this password to any third-parties.

- Furthermore, we cannot ensure or warrant the security or confidentiality of information you transmit to us or receive from us by Internet or wireless connection, including email, phone, or SMS, since we have no way of protecting that information once it leaves and until it reaches us. If you have reason to believe that your data is no longer secure, please contact us at the email address, mailing address or telephone number listed at the end of this Privacy Policy.

## 10. Contacting Us

If you have any questions about our Privacy Policy as outlined above, or if you have any complaints, please contact us at [info@mybdairy.com](mailto:info@mybdairy.com).
